---

The Board of Trustees has made the decision to transition to a new property management agency. Our current contract with Primefrontier Property Management Inc. (PPMI) will expire on December 31, 2024. To ensure a smooth transition, PPMI will continue to serve as our property management partner until February 28, 2025. A new management agency has been selected and will officially assume their duties beginning March 1, 2025. During this transition period, all village operations and administrative services will continue as usual for all members.

Sincerely,  
Board of Trustees, PCVHAI
