---

We have recently transitioned to a new security agency at the Beach Club. **Storm Trooper Security Agency**, which is currently responsible for security services at Casobe commercial area, will now also oversee security operations at the Beach Club.

Additionally, the guards who were previously stationed at the Beach Club have been reassigned to The Hilltop Clubhouse to provide extra assistance during emergencies and to enhance overall security in the location.

We kindly request your understanding for any minor inconvenience, as the new security team may not yet be fully familiar with all homeowners. They will be doing their best to ensure a smooth transition and maintain the safety and security of our Beach Club.

Thank you.

Very truly yours,

  
**ELEANOR C. BUGTONG**  
VILLAGE MANAGER
